MEMORANDUM FOR HEADQUARTERS DEPARTMENT OF THE ARMY
(ODCOPS G35-SSP)

Subject: USJFCOM JWFC Formal Assessment of JP 3-15, Engineer Joint Doctrine for Barriers, Obstacles, and Mine Warfare

1. JS J7 concurs with the recommendations contained in the enclosed JFCOM JWFC assessment and forwards this information for your action as lead agent of the subject publication. JS J7 concurs that the revised JP 3-15 be refocused from a linear to an asymmetrical warfare perspective; include amplified guidance and discussion on barriers, obstacles, and mine warfare across the range of military operations; and emphasize stability operations.
2. The J7 point of contact is CDR Bonita Russell, DSN 222-6306 or COMM (703) 692-6306, FAX 692-5224. The JFCOM JWFC points of contact for JP 3-15 are LTC Robert Lott, JT11, DSN 668-7142, and Mr. Don Erickson, JW2105, DSN 668-6126.

JEROME M. LYNES
Colonel, USMC
Chief, Joint Education
and Doctrine Division
